DEFERRED VIRGINIA NEWS. William A. Burnett died Saturday ight at his residence in Staunton, aged 62 years. He was born in Nelson county.

Saw-milling, like the railroad- ie and cord-wood business, is nearly at an end in King Grorge. The timber is about exhausted, and some of the miles are sawing up trees not much larger than ordinary pine pole. Lumber for building purposes will hereafter have to be shipped to that county from die tant points.

Burnley Taylor, at one time tress urer of King W.iliam county, and had served a term in the penitentiary for alleged embezzlement, was arrested in Re mond on Saturday at the request of the Biston police, on a charge of stealing goods valued at \$2,000. He says that he is perfec ly witting to go to Boston without requisition papers and stand trial.

The bill placing a tonnage - ex upon fertilizers, which has passed both branches of the General Assembly, provides for the appointment of a considerable number of inspector, and a ready Commissioner Koiner has received numerous applications. These applications will be referred to the State Board of Agricul ure, which meets early in January.

A fire on the water front of Norfolk on Saturday night threatened to destroy much valuable property, includ-ing the big cotton warehouse in Allar-The Nottingham & Wrenn tic City. The Nottingham & Wrenn Company's lime and lumber and ice warenouse, and cyster houses, belong-ing to the Wrenne, burned. Fire tugs confined the flames to the frame warehouses. The loss is from \$8,000 to \$10,-

Great excitement prevails about one mile from Shenandosh, on Naked creek, on account of mad drgs. Two horses and one cow have been killed, baving been bitten by the mad dogs. Nosh Kooniz, a man of family, wes bitten, and is now at the hospital su!fering from hydrophobia. There are fears for his life. Evidences of hydrophobia did not develop in Mr. Koontz till the thirty-first day after being bitneighborhood have been killed.

The question of the proper distribu-tion of the military fund among the various companies in the State service is perplexing the State Military Board no little. The Board has held two preetings recently, and it is understood that the members are divided as be tween two plans. The alternative plans presented are the old one of ap-portionment among the companies on the basis of number of men reported at annual inspection, or one proposed, which would provide for payment from headquarters annually of such bills submitted by the various companies, covering the legitimate expenses iccurred during the year as might be approved by the board.

The Southern and the Baltimore and Onio Railroads will shortly discontinue joint operations at Straeburg junction. Heretofore they have maintained a j int ticket and baggage agent, but each road will have its own employee as soon as the necessary accommoda tions can be provided. It is reported that the Baltimore and Ohio will re fuse to make connection at Strasburg junction with the afternoon northbound train of the Southern, as per the mar date of Commissioner Hill, made in Richmond on the 15th instant. The City Council of Winchester has directel its attorneys to institute proce-c'ings to compel the Baltimore and Ohio and Southern road to make connec tion of evening trains at Strasburg junc-

Son of an Ohio Merchant Cured of Chronic Diarrhoea.

My son has been troubled for years with chronic dierrhoes. Semetime ago I persuaded him to take some of Coamberlain's Colic, Cholera and Diarrho a Remedy. After using two bottles of the 25-cent size he was cured. I give this testimonial, hoping some one similarly afflicted may read it and be benefited.—Thomas C. Bower, Glancoe, O.
